GA series

Classical Guitars | GAS / GASTCE / GASECE

Ibanez / B-Band® SquealRepeat Pickup & Ibanez SRT Preamp

The SquealRepeat pickup features an innovative feedback reduction system that will keep your sound loud on-stage, without any annoying squeal creeping into the mix. No adjustment or fiddling with controls is required. Plus, built-in tuner equipped on SRT preamp makes tuning a breeze (GASECE).

Some songs simply demand the intimate, subtle tones of a nylon-string guitar and nothing else will do. Along with our traditional GA5 classical, Ibanez offers modern acoustic electrics with cutaways for easier upper-access. The GASECE features a classical-sized body while the GASTCE has a thinner body, narrow neck and a 14th fret body joint (instead of the traditional classical 12th fret).
