Tama Superstars 80's
TAMA MASTERCRAFT SNARE DRUMS...
30 WAYS TO SOUND GREAT.

If you're in search of a signature sound, you'll find it in the sound of your snare drum. That's why there are 30 different ways to order a Tama Mastercraft Snare.

With five shell materials, including Tama exclusives like pure Rosewood and hand-cast Bell Brass, two shell depths (5" or 6 1/2") three snare beds (steel, coiled Bell Brass and AC™ cable), Tama gives you many more choices than the nearest competition.

So don't settle for a sound that someone else thinks you should have, play a Tama Mastercraft Snare and sound great.

BELL BRASS SHELL

The Tone of a Mastercraft Bell Brass snare will grow sweeter and warmer with each passing year, making this a drum that you'll treasure forever.

BB-155 5 x 14
BB-156 6 1/2 x 14

ROSEWOOD SHELL

The Mastercraft Rosewood snare drum is made of 12-ply of select rosewood, resulting in the most powerful wood snare ever made.

RW-255 5 x 14
RW-256 6 1/2 x 14

FIBREGLASS SHELL

The Mastercraft Fibreglass features the Tama "Bleek Fibreglass" shell for amazing strength and power. This heavy shell provides a bright, loud tone that is also rich and full.

FG-355 5 x 14
FG-356 6 1/2 x 14

ARTWOOD SHELL

The shell is inlaid with a beautiful multi-section marquetry of stained wood. This beauty is brought out with a high gloss lacquer finish that is the finest you'll see on any drum.

AW-455 5 x 14
AW-456 6 1/2 x 14

STEEL SHELL

The Mastercraft Steel snare drum is made of seamless metal for the optimum in metal snare performance.

BOSS 5 x 14
BOSS 6 1/2 x 14
Powerline Snares

MASTERCRAFT STRAINER
All Tama Mastercraft snare drums feature the Tama RB Roller Bed strainer for quick and positive action and simple, versatile adjustment. Both sides of the strainer feature a spring-loaded roller for smooth and positive performance.

TAMA POWERLINE SNARE DRUM
Tama Powerline Snare Drums are available in either seamless metal or 6-ply maple construction. They feature the Tama SS2 strainer for a simple, functional and versatile operation. The SS2 strainer places the throwoff and tension adjustment on the same side of the drum for convenience and simplicity. Powerline snare drums also feature the exclusive Tama One-Touch Tone Control.
