

# IBANEZ FLAMED MAPLE DREADNOUGHTS

## DISTINCTIVE BEAUTY

As a guitar-making wood, maple may be the most distinctive of all woods. And from specially stressed trees comes the most striking maple-flamed maple.

The character of the sound of a maple dreadnought is bold and clear, with strength and power. The appeal to the eye is

## DISTINCTIVE SOUND

breath-taking, with shimmering patterns that change as you admire it.

Ibanez has four distinctive dreadnought and 12-string models made from this intriguing and increasingly rare wood.
