

TAMA HARDWARE

STAGE MASTER CYMBAL STANDS

STAGE MASTER hardware is perfect solution for drummers seeking that famous Tama quality in a light weight stand. Single braced yet surprisingly sturdy, the HC42 and HC43B feature two stage (25.4mm and 22.2mm diameters) while our new double braced stands HC62 and HC63B feature three stage tubing (25.4mm, 22.2mm, and 19.1mm diameters).
