

# Practical, Professional, and Affordable THRONES From Tama

Tama's new BT25 round seat (single braced legs with double braced supports) and BT35 saddle seat (double braced legs with single braced supports) offer Tama durability, stability and name-brand prestige at a price previously only associated with no-name stools.

DRUM SEAT

## 28.5MM DIAMETER BASE

A special nylon locking mechanism underneath the upper tube (inspired by Tama's Kickoff) eliminates rattling or creaking in the upper seat section.
